ALLARD SAYS DURANGO TOWN MEETING TO BE INFORMATION AND ASSISTANCE MEETING ON FIRES

ALLARD BRINGING U.S. FOREST SERVICE, FEMA, AND SBA OFFICIALS
TO MEETING TO ANSWER QUESTIONS & ASSIST FIRE VICTIMS

Washington, D.C. - U.S. Sen. Wayne Allard (R-CO) announced that his La Plata County town meeting in Durango next week will be an informational and fire victim assistance meeting with representatives of the U.S. Forest Service, FEMA and the Small Business Administration. The community meeting will take place on Tuesday, July 2, from 8:00 a.m. to 9:00 a.m. at Ft. Lewis College in the Center for Southwest Studies, which is located at 1000 Rim Drive.

Allard has invited Regional Forester Rick Cables, representatives from the Federal Emergency Management Agency (FEMA) and the Small Business Administration (SBA) to answer questions and provide assistance to victims of the wildfires in La Plata County.

"I want to extend an invitation to everyone in Durango and La Plata County to attend this informational community meeting," Allard said. "This is a chance for individuals to get answers to their questions and for fire victims to receive assistance from representatives from FEMA and the SBA."

Allard added that he will still be available to answer questions about issues currently before the U.S. Senate at the town meeting.

"I still want to encourage citizens who would like to visit with me about other issues to attend my town meeting," added Allard.

Anyone with questions about Tuesday's town meeting can contact Beth Washburn in Senator Allard's office at (970) 245-9553.
